

03/15/17

Tonight is the first of three consecutive nights where lows will be near or below freezing for most of the area.

Remember to protect the 4 Ps:

*People - Check on elderly neighbors and make sure that vulnerably individuals are aware and prepared

*Plants - Bring inside or cover sensitive plants

*Pipes - Poorly insulated pipes are particularly vulnerable

*Pets - Make sure they have a warm place to sleep

If you have any questions or need further assistance, please do not hesitate to contact us (843)549-5632.

Be safe.
