An international web series called The Fireball Run will be visiting Walterboro on October 1 on East Washington Street. This 8 day 2,000 mile life-size trivia pursuit game will feature 40 driving teams, driving Lamborghinis, Camaros, DLoreans, Bentleys and other extreme vehicles as they travel down the East Coast with the mission of helping to recover America's Missing Children. **The series heavily incorporates destinations, integrating area history, culture, museums, people, and places,** and has over 1.7 million viewers worldwide. The street will be closed to traffic and the public is invited to welcome the driving teams as they arrive from approximately 11:15 am to 1:30 pm. Miles Crosby and WALI 93.7 will also be hosting a live broadcast.

The goal is to generate a large crowd and put on a show for our visitors. Bring your organization or club. THE CITY OF WALTERBORO NEEDS YOUR HELP to make this event a success. For more information please contact Michelle Strickland at 843-538-4353.
