

GET THE CALL BEFORE THE STORM...

CODE **RED**

Emergency alerts by phone, text or email.

Seconds count in an emergency. Make sure you're registered to receive CodeRED emergency alerts from the Colleton County Emergency Preparedness Agency & the South Carolina Emergency Management Division. Notifications will be sent out when a major disaster is imminent or has just occurred and during times when you'll need to take immediate action for your personal safety.

To register for CodeRED alerts, visit:
