The Summer Mobile Farmers Market is a partnership between Clemson Extension, the Colleton Farmers Market, and local farmers. Mr. Ben Teasdel is the Mobile Market Manager. The Mobile Farmers Market is open to the public and we encourage residents of the apartment complexes and residents of the surrounding neighborhoods to visit the mobile market for fresh fruits and vegetables. The Mobile Market supports our local farmers and provides fresh produce often at prices lower than most grocery stores and accepts cash and SNAP.

The Mobile Farmers Market will be open on the following Wednesdays June 22, June 29, July 6, July 13, July 20, August 3, and August 10.
