**City Manager's Report:**

1. Introduction of New Fire Captain, Justin Wilz.

City Manager Jeff Molinari stated Mr. Mayor and members of City Council we have our Fire Chief, Paul Seigler who is going to introduce our new Fire Captain, Justin Wilz.

Fire Chief Paul Seigler stated before I introduce our new Fire Captain, I would like to thank City Council for there support of the Fire Department and all that you for us, so that we can protect and serve our citizens of Walterboro.

Usually when we promote, we like to look within the department first, because that is where you are going to find people who care about there community. If you can not find someone inside, then we are not training our people correctly. We had 4 applicants for this position. We have gone through the process and came up with a fine person to do the job. This person separates himself with his dedication to his job. Every time we have a call especially a large call he is always there to help. He is one of those guys who is going to show up and be there all the time. He had been a first responder since he was 16 years old. He was an Ocean

Lifeguard in Charleston for 9 years, and a USLLA trainer for the county parks. He started his fire service career at St. Andrews Fire Department, where he worked for 7 years. In that time, he became a driver on the rescue truck and joined the Regional Response Team in Charleston. This allowed him to receive some special certifications in technical rescue, confined spaces, and structural collapses. During that time, he was also a volunteer with us for a year. During that year we got to know him well, then he moved to Tennessee. He worked in Tennessee for 3 years at a brand new fire department that was just starting up in Mt. Juliette Tennessee. He helped with the challenges of starting a new department. He has been with us for the last 6 years and has one fantastic job. In total he has 16 years of firefighting experience. At this time Mr. Mayor, City Council members and Mr. Molinari I would like to introduce to you your next Fire Captain Justin Wilz.
