

Lowcountry Regional Cleanup

Monday, April 22, 2019 | 8:00 a.m. - 3:00 p.m.

In celebration of Earth Day, we are planning the Lowcountry Regional Earth Day Cleanup on Monday, April 22, 2019. This event will tackle litter in Beaufort, Jasper, Colleton, and Hampton County. Litter harms the waterways, wildlife, and affects tourism and development. Their goal is to pick up litter from roadways, ditches, and waterways. The Regional Earth Day Cleanup is dedicated to increasing the prevention of litter and protecting our species from the harmful effects of litter.
